

Platinum Wealth

Mission Statement

Our mission is to increase the financial knowledge and wealth of our members, to learn about investing in stocks, and to have fun while doing it. We will accomplish our mission through continuous education, sharing of research, and regular investing with a long-term perspective.

The Platinum Wealth Investment Club follows these recommended investment principles:

1. Reinvest regularly, regardless of the market outlook.
2. Reinvest all earnings.
3. Invest in value or growth companies.
4. Diversify to reduce risk.

For a company to be considered for a purchase by the Platinum Wealth Investment Club, an investment club member must show:

1. a completed stock study for the company, as agreed upon by members.
2. majority approval by the members to purchase the share.
